

Glance Technologies Announces Rights Offering Co-Lead

March 23, 2017 – Vancouver, B.C. – Glance Technologies Inc. (CSE:GET.CN / FKT:GJT / OTCQB:GLNNF) is pleased to announce that Leede Jones Gable Inc. has signed on as co-lead for Glance's Rights Offering announced on March 16, 2017.

In connection with the Rights Offering, Glance has entered into a soliciting dealer and standby guarantee agreement with Mackie Research Capital Corporation, and together, Mackie Research and Leede have agreed to provide a standby guarantee to Glance for up to \$1,000,000. Leede will participate in the standby guarantee for an amount not to exceed \$300,000.

Leede acted as the sole agent for Glance's initial public offering which closed in August 2016 and was oversold.

"We have received tremendous support from Leede since doing our IPO with them in August. We are also very pleased with our continued relationship with Echelon Wealth Partners Inc., who conducted a brokered private placement for Glance earlier this year," says Penny Green, President and COO of Glance, "We are thrilled now to welcome Mackie Research to our network of supporting brokers and we are delighted to have Leede and Mackie working together to backstop our Rights Offering."

Details of the Rights Offering have been set out in the Rights Offering Notice and Rights Offering Circular which are available under Glance's profile at www.SEDAR.com.

About Glance Technologies Inc.

Glance Technologies owns and operates Glance Pay, a streamlined payment system that allows customers to pay their restaurant bill instantly with their mobile device and that combines in app messaging with social media marketing. Glance Pay revolutionizes how smartphone users choose where to dine, settle their restaurant bills, access their payment records and interact with their favourite restaurants. Glance Pay intends to become the industry standard as one of the four pillars in restaurant payments, beside credit cards, debit cards and cash. Glance is building a valuable network of restaurants and consumers, and offers targeted in app marketing, customer feedback, in restaurant messaging, custom rewards programs, search engine optimization and social media promotions and management for restaurants.
